Exhibitor and freight entry to the East Building is via the East Truck Route at the foot of Howe Street. The East Truck Route has one-way access only and is 16' wide and 13'6" maximum height. The loading area consists of 4 loading bays that can accommodate semi-trailers up to 30' in length.

Health Inspection: January 13th, 2018, 9:00 am (all booths must be fully setup for inspection)
